

## VOLUNTEERS NEEDED - FIRST LEGO LEAGUE State Championship

**January 25, 2020 – University of Illinois – Champaign, IL  
201 E. Peabody Drive, Champaign, IL 61820**

Volunteer opportunities are available for the **FIRST® LEGO® League** Illinois Championship Tournament in Champaign. 500 Illinois students ages 9 to 14 will compete on 54 teams.

**FIRST® LEGO® League** is a friendly, high-tech event that challenges young participants to learn together as teams. The theme this season is City Shaper. Teams have programmed and built autonomous robots, using the LEGO® Mindstorms system, to perform a number of challenges. Teams have also completed a research project and have identified a problem with a building or public space in their community and developed an innovative solution to fix that problem. The event is open to the public and is free of charge.

Various Volunteer roles are available

<u>Roles</u>	<u>Training</u>	<u>Date</u>	<u>Time commitment</u>
Judge	2-3 hours on-line On Demand flexible to your schedule	Saturday, Jan 25	7AM to 5PM
