

Greetings Teams!

On behalf of the Central Illinois Regional Planning Committee, we welcome you to our event. It has been a very busy build season and we are all catching up and getting ready to host you at the Central Illinois Regional, March 19-21, 2020.

Very Important Update - Bradley University has informed us that they will be unable to host a team social this year. Unfortunately, this will impact those teams that were planning to use the team social as their Friday evening meal. There is a state basketball tournament in Peoria on Friday and Saturday as well, so this notification provides you the opportunity to make team meal arrangements before the basketball teams finish qualifying and tie up all the restaurants and food delivery services.

Additional information will be sent out as we get closer to the event, but I wanted to get this information communicated as quickly as possible. If you need additional support, please contact us at FRCCIR2014@gmail.com

Best regards,

Tim Koch

Central Illinois Regional Planning Committee Chairman
